Synopsis

The Association for Career and Technical Education (ACTE) and NOCTI are proud to announce the release of a new book titled: â œYour First Year in CTE: 10 Things to Knowâ •. Career and Technical Education (CTE) teachers are a unique group. While there are similarities between a CTE teacher and a traditionally-prepared regular education teacher, there are also some distinct differences. The differences are apparent in prior work experience, work environments, teaching strategies, and the atmosphere in which they will be teaching the youth of tomorrow. Although there are many books focused on teaching strategies and tips for new teachers, there are few resources available for new CTE teachers. There are even fewer resources for individuals coming to the field from alternative teacher preparation programs -- that is until now!

Book Information

File Size: 844 KB

Print Length: 66 pages

Publisher: ACTE (May 31, 2015)

Publication Date: May 31, 2015

Sold by:Â Digital Services LLC

Language: English

ASIN: B00YNW2I1K

Text-to-Speech: Enabled

Customer Reviews

Written for those with no teaching experience. I am astounded that teachers can be let into the classroom without this knowledge already.
