## Customer Reviews

Dr. Kelly shows how easy and important it is to be upfront with sharing secrets that can block true intimacy. STDs are one of the most uncomfortable and least talked about secrets. Anyone can benefit from these crucial tips for releasing your shadows.

Having the talk can be awkward and frightening. Dr. Kelly actually provides exercises and true stories here to guide you through the fear. Finally, there are resources for this socially stigmatized, but very common STD. Highly recommended for either partner to learn and grow.

Dr. Kelly speaks from the heart and tells a great story. It's like listening to a good friend give advice-very personal. She is skilled at breaking the "talk" down into simple steps, making it really seem simple to apply to real life!

Dr. Kelly has taken the "taboo" out of THE TALK. In sharing her courageous story, she invites you to be with her as she skillfully guides you through the necessary steps that may be keeping you from having THE TALK leading to true intimacy in your life.
