Headlights . . . How I Turned The Lights Back On After My Stroke And Aphasia

Synopsis

This uplifting book of the author's healing journey from Stroke and Aphasia helps victims' families and friends reach compassion and understanding for what Aphasia victims may experience. This book also guides Aphasia victims to understand their own experiences as part of their healing journey. Includes a great list of resources designed to assist the healing process, and great encouragement to go the distance to truly heal.
