Customer Reviews

Kyle is a flight attendant, which according to his mother is likely the worst job in the world, but his international hops allow him to meet quite an assortment of worldly men from around the globe and that perk makes the job enjoyable. During a bit of turbulence on a Chicago to Hong Kong hop, he stumbles across sexy Jameson Chan trying to get a quick toss off in the bathroom. What starts out as an embarrassing moment for Jameson quickly turns into a golden opportunity for Kyle to provide some of the best in-flight service ever delivered. The action doesn't stop there but continues on in Hong Kong. Very, very hot and graphic sex, all of it well written. I got a grin from the witty banter coming from the Kyle, who quickly turned into a sassy, sexy queen in my mind's eye with his snappy dialogue. I was also surprised at the knowledgeable insights into Asian culture. My only sadness was that there was pretty much zero romance or emotional involvement in the story, but I can't say I didn't know that going in just by the description.

Nice and hot

A hot short fun read. Highly improbable having sex on an airplane in the toilet... But hot!

very good
