One Starry Night (Sinners On Tour Book 1)

Synopsis

This novelette was previously released as part of the Some Like it Hot Anthology (no longer in print). Michelle isn't sure why she decided to come to her high school reunion, but she's glad she did. There she reunites with the nice boy she should have dated in high school--millionaire Devlin McAllister--and the bad boy she wished she hadn't--Sinners' roadie Jake Tremaine. The problem lies in the fact that she's now attracted to both of men; she wants both of them, but how can she possibly choose between two gorgeous men both vying for her attention? Why should she have to? This stand alone menage story contains sexually explicit scenes with M/F and M/M pairings as well as M/F/M and M/M/F triages.

Wow. That was hot. Sed, The Sinners' lead singer, and Jake, The Sinners' roadie, make an appearance at their high school reunion. Jake is there to reunite for one night with his high school girlfriend, Michelle. Michelle is hoping to see Jake again but she's pleasantly surprised by Devlin (I hate that name!), the shy, nerdy guy who had a crush on her. He's now buff and successful. Devlin is there to impress Michelle and finally make her his. I don't know how it happened but the night quickly turned into an m/m/f threesome back at Devlin's mansion. Very sexy even though, for some

reason, Cunning shied away from too much detail with the m/m scenes. And we know she ain't shy. Don't expect an HEA. It's pretty much just one steamy night amongst old friends.

Fantastic! This is one hot sexy, incredible, imaginative story by Olivia Cunning. It's a short story similar in length to her One Night with Sole Regret series. Now, to my review. The story opens with Michelle Tanner signing in at the reception desk for their 10th year reunion. She doesn't really remember the girl sitting at the desk, but has a feeling that she was one of many that she was unnecessarily mean to as part of the cheerleaders clique that she belonged. She looks for another girl's name, and asks whether the sign-in gal knows if she will be attending. She's not. She makes a point of asking that she let her friend know that she was horrible to her in high school and really regrets her actions. Michelle knows that she has grown up, but some hurts can last a long time. She checks the list for Jake Tremaine, an old boyfriend. He is supposed to come, but that is all the girl at the desk knows. Then Michelle spots Devlin McAllister's name. She is glad that he will be there because of all the people in her class, she owes him the biggest apology. She was unbelievably cruel to him in the lunchroom when he tried to ask her to the senior prom. Devlin sign in and immediately searches the crowd for Michelle. The only reason he came to the reunion was to see her. Devlin has greatly changed from the skinny nerd that he was in high school. He is strikingly handsome and muscled. They sit and chat for a few minutes with her apologizing once more. They hit it off, smiling at each other and he asks her to dance. While they are dancing, Devlin gets tapped for a partner switch by Jake. Soon the three of them are dancing together and things start to heat up right there on the gymnasium dance floor. They decide to take this party to Devlin's home. Now, You need to go get this scorcher of a novel! Thank You, Olivia Cunning! Would you please write a sequel to this one?

This book read like a cheesy porn movie! I read a few of this authors Sinners on Tour books and then took a break. I downloaded this one because it was a novella. I quickly remembered why I'm not a fan. Its all sex and no substance. The sex scenes are so ridiculous and over the top that not only are they unbelievable but laughable. Like I said I pictured a bad porn the whole time I was reading. All that was missing was bad lighting and music. But hey, maybe I missed the point and that was what this book was supposed to be.

This book was hot and I love reading Olivia Cunning's book's. Jake Tremaine a Sinner's Roadie and Sed Lionheart Sinner's lead singer attend their 10 year high school reunion. Michelle isn't sure why

she decided to come to her high school reunion she was b*tch in school and when she sees the high school nerd Devlin McAllister who is a now hot as hell millionaire she is glad she did. Jake Michelle and Devlin all hook up for one hot as night. Jake and Michelle were hooking up in high school he broke up with her so she can go to college and Devlin was the boy who asked her to the prom in front of all her friends and she laughed at him. They have all grown up in the last ten years. This was a really good hot short read that I wished was longer. This book was well written like the rest of the books in this series and I can't wait to read the rest of the books in the Sinners series.

Olivia Cunning knows how to write hot steamy rocker romance so it's no surprise that this little novella is Smok'n hot. Michelle wasn't very nice in high school and now she has the chance to at least try to make things right. When she comes face to face with two men from her past who have grown up to be seriously hot she isn't expected to choose one is she? things escalate pretty quick and these men aren't afraid to face their true feelings. One very hot night has them all ready to grab on to an unconventional future. Fabulous ending but I would love a little more of what the future holds for these 3.

Michelle is going back for her 10 year reunion where she wants to make amends with those she treated badly in high school and maybe see the one man who broke her heart long ago. All of her wishes come true and more. The interaction between Michelle, Jake and Devlin is scorching hot. This is a must read for all Olivia Cunning fans.

Jake, roadie for Sinners, heads to his high school reunion intent on finding Michelle. The girl he left behind. Devlin is also determined to get Michelle's attention sense he couldn't in high school. Little did they know she was interested in both. The three of them head out for a night of pure pleasure and a future none of them anticipated.
