Customer Reviews

By far the most amazing resourceful book on the journey through Lung Cancer. This book gives you hope in such a scary time. Knowing that you can read this and be prepared for what is ahead or to help you understand the process is invaluable. I recommend this book to all patients, caregivers, Family, Hospitals and staff. This book helps give you knowledge, a voice and support. AMAZING!

Amazing reference and must have book for any lung cancer patient or carevgiver. Easy to understand and comprehensive. Thankful for this resource!

We wish we'd had this when my wife was diagnosed with lung cancer 3 1/2 years ago. It would have helped us avoid a great deal of anxiety and anguish over how to proceed. Fantastic reference for those who have to live with this disease.

Great book
