Jane's Airport & Atc Equipment 1993-94 (Jane's Airport Equipment And Services)

Synopsis

With accessible data and comprehensive coverage, this book provides an international guide to all categories of equipment necessary to running a modern airport - from check-in counters and information displays to ATC simulators, baggage screening units, airfield lighting and tow tractors. Over 1400 equipment manufacturers are listed alphabetically within each section, including complete contact details, names of key personnel, extensive product range specifications, new and recent contracts, and new developments. This 12th edition features an expanded support services section and a new section dedicated to manufacturers of chassis, engines and motive batteries for specialist airport vehicles.
