Activity Manual For Adolescents (Interpersonal Violence: The Practice Series)

Synopsis

Designed to be used alongside Treatment Strategies for Abused Adolescents therapist manual, this Activity Manual has been specifically designed for adolescents working in a therapeutic setting towards healing from early physical, sexual and/or emotional trauma. Introductions to each chapter sensitively address adolescents, and the trauma resolution activities are interesting, well-planned and developmentally structured.

Customer Reviews

I recommend this manual and it's companion book for therapists who work with adolescents who have experienced abuse. The activities begin slow and easy, allowing a therapeutic alliance to be created, then move slowly into the deeper issues. It is a welcome addition my practice.
