Hormone Lies And Thyroid Misunderstandings: A Medical Intuitive Reveals The Truth Behind The World's Hormone And Thyroid Crisis

Synopsis

Hormone and thyroid imbalances are the unspoken health plague of our age. Nearly everyone on the planet, men and women from birth and beyond, are subjected to hormone disruptors bombarding us daily from literally every corner of our lives. PCOS (Polycystic Ovary Syndrome), depression, anxiety, fibroid cysts, insomnia, fatigue, weight gain, PMS, breast cancer, and loss of sex drive plague tens of millions of sensitive individuals, most unaware that a global pandemic of environmental estrogen dominance is often to blame. Millions more suffer needlessly from debilitating thyroid malfunctions including Gravesâ™ Disease and Hashimotoâ™s Disease, when simple hormone, immune, and nutritional interventions could bring natural relief. Mainstream medicineâ™s response to this crisis is to prescribe estrogen and thyroid stimulants, potent hormones that not only fail to address the most obvious underlying causes, but are also likely to blame for the meteoric rise of breast and uterine cancer, endometriosis, fibrocystic disease, osteoporosis, metabolic disorders, and more. In this book you will learn how to avert and correct the hormone lies and thyroid misunderstandings in your life. Using simple and natural methods, you will learn how to restore balance in your world, and once again experience your birthright of perfect health, joy, and vitality.
