Customer Reviews

This book needs to go back into print - it is too useful and necessary to not be available for a realistic price. It gives clarity to the spouse that her feelings of betrayal and anguish after discovery are not unusual or unreasonable. It describes the practical tasks that need to be performed by a porn addict so he can leave his deceitful ways behind and attempt to salvage his sanity and marriage.

I gobbled this book right up - i was dying for information, and this book provided it in a straight-forward, clear, non-judgmental way. Excellent resource for anyone seeking info on sex or porn addiction.
