50 Social Studies Strategies For K-8 Classrooms

Synopsis

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. In *50 Social Studies Strategies for K-8 Classroom*, pre-service and practicing teachers get well-explained, useful, meaningful ideas—including 50 ready-to-use strategies—for engaging elementary and middle school students in learning social studies. The strategies are easily adaptable to individual teachers'™ classroom configurations and needs, and include multiple types of assessment tools that give teachers options in assessing their students. Each strategy is organized for flexibility and ease of use and includes links to the National Council for the Social Studies national curriculum standards, links to the Common Core Strategies, procedural recommendations, application ideas, differentiation sections, assessment sections, references and resources, and more. The strategies are designed to help teachers plan effective social studies lessons using multiple types of student groups, while also accounting for the diversity of learners in today's™ classrooms. The new Fourth Edition includes updating, revisions, and additions to the strategies throughout.

Customer Reviews

This is a great book with multiple ways to help student learn about history critically. I like how the book is designed to work with students in a variety of ages.

Strategies are simple and obvious. I can only imagine this being helpful for someone whose never been a teacher or been in a teacher prep program collegiately.

you most likely will not use it much for your class. So boring and not practical for classwork

I don't know why but I wasn't expecting looseleaf but it worked out fine .

This is a great book with really good ideas.

I used this during my student teaching.

Great copy
