Customer Reviews

I won't try to summarize the book here, but I will say, this book really clicked for me, and I am a non-gambler now! I have tried other methods, and failed miserably to defeat my gambling addiction. This book really dissects the myths of gambling, and it is not using will power. It is a method of

analyzing and breaking down the condition, explaining the illusion and tricks that gambling has played on your brain. Now that I read the book, it all seems so simple and clear. I will re-read this book periodically as a refresher. I can say with great satisfaction and thanks to the author, that I am a changed man, and I am quite certain that I will never gamble again in my life. I could not be happier!

This book honestly saved my life and my bank account and it's the only book you will ever need! Thank GOD for Allen Carr and the tips in this book! I HIGHLY recommend it. Trust me... Buy this book because your bank account will thank me later! Allen Carr opens your mind and helps free you from the chains of your addiction. If you want to quit, you will; however you must keep an open mind and use the tips in this book. It couldn't have been any easier and I wish I would have read this book 10 years ago!
