Version -- Book, Novel, Paperback,
Audible, Movie)**

Synopsis

This is a SHORTENED VERSION of the original book; to help you understand the book faster and better! *The Girl on the Train: Story Shortened* into 35 pages or less! Rachel Watson rides the train to and from London every day for work. While on the train, Rachel engages in watching people and imagining their lives. She herself has a history of failed marriage and drinking issues. She regularly observes one couple Megan and Scott and one day she sees her kissing another man. Few days later Megan disappears and Rachel decided to tell Scott of his wife's affair. Rachel and Scott find out the man - Dr. Kamal Abdic, Megan's therapist. The police calls him in for questioning but he denies having any affair. The duo still suspects him and Rachel decides to visit him as a patient, only to find out that he is indeed a good therapist who could help her get out of her drinking problems. She remembers being in the neighborhood the night Megan went missing but nothing beyond it as she had a blackout. Her roommate Cathy is upset about her drinking habits and advises her to find a job soon. Rachel eventually recalls seeing her ex-husband, Tom, and his new wife, Anna, on that night. She often bothers them and Anna hates her too. Megan, who lived in the same neighborhood, had briefly babysat for Anna's kid. Rachel teams up with Scott to find the killer after Megan's body was found and have a one-night stand. The police however warns Scott not to take Rachel seriously as she was habitual liar. Scott manhandles her and shoves her out of his home. Rachel has her doubts on him now. Rachel meets a red haired man on the train who remembers her from that night. She figures out that Tom was with Megan the night she was killed. Anna soon finds Megan's phone in Tom's gym bag and Rachel shows up to tell her about Tom's affair with Megan. Anna's dislike for Rachel prevails and she refuses to believe the evidences. The night Megan was killed, she met her therapist who advised her to tell Scott about her affair. When she does, Scott hits her and she runs to Tom. Tom later confesses that he was cheating on Anna with Megan, and Megan got pregnant with his baby. When he asked her to abort the child she was furious. Megan had accidentally killed a child in the bathtub as a teenager. Tom fears her exposing him and so he kills her. Rachel tries to escape Tom but he overpowers her but in a timely attack, she plunges a corkscrew into his neck and Anna joins in the act and kills Tom. The police exposes the lies of Tom and lets the women go free. Rachel continues her journeys on the train. Customer Reviews

This book is outstanding and inside of this book I have found a nice story. The Girl on the Train is the story of the slow disintegration of a woman's life after her husband left her for a new mistress. I have read and enjoyed the book. I love how it covers the chapters, the characters, and just an overall analysis of the work. It was really interesting to observe this woman's life after her husband left and I was so sorry for her looks how she has lost almost everything. The story is so captivating and has a very extraordinary plot. I think we should embrace that truth and not criticize or run from it. very very nice story i highly recommend for it.

It was an interesting to read as Scott calls Rachel and asks her to allow him in her apartment as he can't take the media around him anymore. He tells her that Megan was pregnant when she was killed and he was sure it was his child. Rachel visits the therapist the next day and finds him so comforting that she can't imagine him as the killer anymore. She finds out in her way back that Megan's other child was found buried near some train tracks.

This was incredibly good! It dealt with issues like domestic abuse, alcoholism, and not being able to

get pregnant in a way that felt very raw to me. It was a little slow to start, but once the main plot started it really took off and I was completely engrossed. Highly recommend to those who enjoy thrillers and don't like long reads, like me!

The summary of "The Girl on the Train by Paula Hawkins" prepared by EZ-READER is a one good read. The author seemed to be an interesting writer and was able to deliver the summary pretty well. This is a recommended one.

What a great book. I hesitated to read it based on the book's overview for a year. This is a fast-paced, didn't-see-that-coming story. I read it in 2 days and shared it right away for my friends to enjoy. So worth your time -- enjoy!

I have been wanting to read this novel, The Girl on the Train, written by Paula Hawkins but I don't have much time and I know it's going to be quite a long read for me. So I decided to just grab the shortened version. With this book, I was able to understand the whole story without even reading the original. T'was an excellent thriller!

I enjoyed reading this book very much! I had a hard time putting it down. One thing I liked about the book, there wasn't a lot of characters, so I had a easy time remembering them all. Really worth reading! Very amazing companion to the book that i absolutely love. It helped me understand so much, and get more into the book itself. Do to understanding not only the characters but the setting as well.

It was a great story. The characters were to a great degree all around created and appeared to be general extremely authentic and unique. Additionally, it was exceptionally clever yet not in an over-the-top sort of way. I enjoyed it especially when the climax came. Plot twists were really unexpected and a lot more surprises came as the story progress. I like how it was. I am very much entertained and I hope I can read more.
