The Everything Bridesmaid Book: From Planning The Shower To Supporting The Bride, All You Need To Survive And Enjoy The Wedding (Everything (Weddings))

Synopsis

The Everything Bridesmaid Book is a fun, practical guide to help you survive the chaotic wedding process. As you'll soon find out, being a bridesmaid includes providing emotional and practical support to the bride as she plans to her special day. It also means the added responsibilities and stresses of planning a shower, dealing with the bride's family, handling the bride's roller coaster of emotions, and let's not forget - buying that dress! The Everything Bridesmaid Book guides you through: knowing bridesmaid etiquette, dealing with psycho brides, de-stressing the bride, coordinating the bridesmaid's luncheon, budgeting for the dress, airfare, and hotel room, handling details the bride may forget, such as getting the bridal party to the church on time and much more. From practical considerations, such as planning a shower, to fun beauty tips to ugly dresses, The Everything Bridesmaid Book is a must-have to help you get to and survive the big day!

This is a great book for someone who's never been a bridesmaid before (like me). There were a lot of practical hints about what kinds of events you'll need to set up and attend and how much you may end up spending and so on. I do have the occasional quarrel -- Ms. Rung says being pregnant is not an acceptable excuse for bowing out of a wedding party, which I completely disagree with, and I also thought her estimates on what a bridesmaids' dress and accoutrements might cost were

frequently low -- but overall, this book is an easy read and often funny too. There is also a lot of repetition, which is probably geared towards those who are only going to read a few chapters. The nice thing about this book was the reminder that no matter what, you are there to support the bride! I bet this is a point that a lot of people can easily forget in the hoopla surrounding any wedding.

I bought this book since I am the maid of honor for my sister's wedding. It has countless ideas for showers and parties. There is even a section on what to do for a crisis on the wedding day. I would recommend this book to any bridesmaid. It will help you know what to do helping the bride

This was a helpful, easy read that was fun and helpful. The only thing I didn't like was the book was geared towards professional woman with travel issues. Not that I'm not a professional woman :-)) but it really did help as my sister is the one getting married. Gae me some great tips on being a maid of honor and what kind of bride she may become! (EEK!) It would be a great gift for bridesmaids.

I gave this to one of my bridesmaids and she said that it was truly funny and she enjoyed reading it. She has gotten a lot of tips from it and all in all I'd have to say she's been a big help in the wedding party. I would recommend this book to others.
