Synopsis

Gum Disease Cure: Cure Your Gum Disease And Avoid Gum Surgery With Natural Remedies

Today only, get this bestseller for just \$0.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device. Sadly, the World Health Organization reports that show 85% of adults in the US have some type of gum disease. The older we get, the more our teeth are likely to be affected by decay. And unfortunately for most people, they do not have access to affordable dental care. We have been taught, for the most part, that gum disease is inevitable and that we have no choice in the matter. But emerging evidence exists that not only is there a way to control gum disease, but that it can be reversed naturally. No longer do we have to accept that dental surgery and dentures are our only hope and solution for advanced gum disease. The techniques and regimens you are about to learn will help you reverse both Gingivitis and Periodontal disease. Regardless of whether you have mild gingivitis or advanced gum disease with bone loss, this book will help you cure your gum disease and get your mouth back to a healthy state. If you are one of the millions who have gum disease and are panicking about losing your teeth because you can't afford dental care, then consider yourself lucky that you found this book. We will show you exactly what you need to do to stop your gums from bleeding within just 5 days and begin the process of reversing your gum disease for good. Here is a preview of what you'll learn...

- How to stop bleeding gums just 5 days
- Natural and inexpensive mouth rinses that kill infections and bacteria as well as antibiotics
- Why you should NEVER use commercial toothpaste
- How to reduce deep gum pockets over 6mm back to acceptable levels
- Powerful supplements and anti-oxidants you MUST be taking to halt your gum disease
- The miracle of oil pulling and which oils will get you the best results
- The exact gum disease fighting regimen to follow at home that takes just 20 minutes
- How to treat deep infections that are hard to reach
- Much, much more!

Customer Reviews

I have read MANY articles and books about gum disease. This is excellent because it contains ways to treat and or prevent gum disease. The author has done her research in this book. Personally, this book has helped me greatly in the treatment of my gums.

Good info, thank you! I'm trying tea tree oil diluted with water and it really helps and stops the pain

A lot of tips to take care of your gums. I will try them and see if they work. However, it was too short.
