Welding Print Reading

Synopsis

Welding Print Reading is a combination text and workbook that teaches students how to read and comprehend the various types of prints found in the welding industry. Text problems are based on actual prints from industry. Content includes print reading basics, math and measurement, an overview of welding processes, types of welds and joints, and welding symbol use.

Language: English

ISBN-10: 160525911X

ISBN-13: 978-1605259116

Product Dimensions: 8.3 x 0.9 x 10.8 inches

Shipping Weight: 1.9 pounds (View shipping rates and policies)

Average Customer Review: 3.9 out of 5 stars [See all reviews](#) (15 customer reviews)

Best Sellers Rank: #170,718 in Books (See Top 100 in Books) #26 in [Books > Engineering & Transportation > Engineering > Mechanical > Welding](#) #33 in [Books > Engineering & Transportation > Engineering > Industrial, Manufacturing & Operational Systems > Industrial Technology](#) #4628 in [Books > Textbooks > Education](#)

Customer Reviews

I am an instructor for a small community college and this book delves deeper into what our grads need more than our current classroom text does. We are looking to switch to this book in the near future. The diagrams are presented very nicely and easy to cover in class. The chapters on dimensioning and welding symbols are really what sold it for me. I also like the review on mathematics because we can all use a little refresher every now and then.

Fantastic, thorough read. Helpfully breaking down any mathematics or exercises for review throughout each chapter. Timely shipping and better price vs on-campus purchase.

Was exactly the edition I needed for class. The instructor did say, however, that it leaves a lot of information out and some of it was just plain wrong.

an awesome book, easy to read, easier to understand, and great for practice. i got an A in this class

because the book is so good

This textbook is very informative and is usable for all of my welding classes that I will be taking for the next two years.

BOOK WAS FINE BUT I PAIDED \$6.99 TO NEXT DAY IT FOR MY SON'S CLASS HE GOT IN AND IT GOT HERE IN AFTER 6 DAYS

Good book, in decent condition, didn't mention that all the answers were filled in, arrived on time

Haven't started the class yet but looking forward to it.
