Trump Temptation: The Billionaire & The Bellboy

Synopsis

He was a billionaire, I was a bellboy, can I make it anymore obvious? It all started one fateful afternoon in summer of 2012. I was working as a bellboy at the Trump Hotel in Hong Kong on an internship program. This was my first time in a big city. It was all I could have ever dreamed of, and more. But little did I know, it was all about to change.

Customer Reviews

This piece of literary sexploitation takes the genre and stands it on its ear before gently laying it on its back for a wild weekend of popper-filled lust. Trumped every expectation I had of it. My imagination is still tingling. Really made me want to pop a molly, strip down, and rub my body with a toupée. Brava.

After reading this sensual and tawdry account of Mr. Trump's escapades in Hong Kong, I'm convinced he can make America great again one bellboy at a time.

More compelling than The Bible

Groundbreaking exposé!! No longer must the international bellboy community feel ashamed and in darkness. Let us all roam hotel halls free from shame, under the light that is Trump's spirit.

Watch out E L James, we've got a new erotic romance author in our midst. Daniel's story is a new take on beauty and the beast, exploring the inside of Donald Trump, in more ways than one. Who knew that when Trump said "I beat China all the time. All the time" that he was actually talking about beating off? And Hong Kong?

Incredible. I haven't read a book since school, but this was well-worth breaking my streak. I sure do wish that I could have made a book report on this!

He built a wall. Inside his heart. But he put a big beautiful door in the middle, and that's where the Chinese bellboy cha-cha'd right in. Before it was over, every border had been violated. Makes me hard just thinking about it. GAY TRUMP 2016.

If "50 Shades of Grey" had been written by someone who wasn't a Twilight fangirl, and edited by an actual editor, "Trump Temptation" would be that book. The twists and turns (and steamy, true-to-life depiction of the BDSM lifestyle) will leave you as breathless as our protagonists. I look forward to reading more from author Elijah Daniel in the years to come; he has a bright future as an author.
