I rented the 11th edition and I got the 10th. I can't use this in my class. The page I was on was for the 11th edition and yet I have the 10th and my exam is next week there is no way I can get the

book before then.

Rented this for an undergraduate class and it's a little difficult to get through. The text isn't dense so much as it is kind of boring and redundant. Would not recommend to others.

Excellent Read and great information, especially Chapter 8

The textbook is very informative and good.

Just what my daughter needed for class

Loved it! Extremely informative!

This was exactly as described.

Good. Came on time.
