Becoming A Master Student: Concise (Textbook-specific CSFI)

Synopsis

A brief version of the best-selling BECOMING A MASTER STUDENT, the fourteenth edition of BECOMING A MASTER STUDENT: CONCISE continues to lead the way in meeting the changing needs of today's first-year students. With over 150 less pages than the full edition and 2 fewer chapters, BECOMING A MASTER STUDENT: CONCISE contains the key features and tools of the bigger version, such as interactive journaling, a motivational writing style, the Discovery Wheel, Discovery and Intention Journal Entries, Power Process articles, Master Student Profiles, and the Kolb Learning Style Inventory (LSI), that have helped traditional students and adult learners alike to identify their strengths and weaknesses, set goals, and practice academic and life skills. In this latest edition, students will discover that study skills are really life skills with the renewed emphasis on the master student qualities throughout the book. Students will be challenged to apply the master student qualities to new Practicing Critical Thinking exercises and planning for a career by building an effective resume and learning interviewing strategies they can practice while in college.

Book Information

Series: Textbook-specific CSFI

Product Dimensions: 8.4 x 0.5 x 10.7 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars [See all reviews](#) (10 customer reviews)

Best Sellers Rank: #259,394 in Books (See Top 100 in Books) #149 in [Books > Education & Teaching > Schools & Teaching > Counseling > Academic Development](#) #2973 in [Books > Self-Help > Success](#) #6678 in [Books > Textbooks > Education](#)

Customer Reviews

I used the textbook version of this as a college freshman. Although I was a good student, some of the tips and exercises were invaluable! I went on to complete four degrees - including two law degrees! I just bought it for my niece, who entered college earlier this month. Highly recommended!

The only reason I gave it a 4 rather than a 5 is because when I removed it from the packaging it

smelled awful. It took weeks to get rid of the smell. When I had to pull it out in class I'm sure a few students surrounding me found it putrid as well. Otherwise it's in good condition and it gets the job done.

I received the book in perfect condition, crispy and fresh....thank you for the speediness of delivery also!

I have been really enjoying my book.

This book did it's job. Great book.
