Surveying Fiberglass Power Boats: 2nd Edition

Synopsis

The Marine Survey Business Written for both the aspiring, novice and experienced surveyor, Surveying Fiberglass Power Boats provides a foundation of essentials for anyone who wants to begin a marine surveying career, or just hone up on one's skills and knowledge. The profession of marine surveying is not just about boats; it's about people and boats. That's why four of its 18 chapters are devoted to the practicalities of the business side of surveying.
