Customer Reviews

This is a great reference book detailing the kingship of Ethiopia as a national state. Jahson does a great job entailing the story and works of some past Emperors of Ethiopia. The reason why I gave this book only 3 stars is because of the missing historical facts that the authors leaves out, and some that are just not true. Such as, the authors writes that the Aksumite people were merged with immigrants that were semetic. This is not true! There are no semetics in ET. This author is refering to the India tribes that were apart of the Aksumite people. Which are many many different tribes. Also the language of GE'EZ is nothing but a cursive writing of MTU NTR (Egyptian writing). And the Ethiopians zenith was way before the 4th AD?? The 18th to 25th dynasties of anicent egypt were ruled by Aksumite rulers. Where is that history? Bob Marley said it the best "half the story has never been told". But this is a good reference book of the history of Ethiopia as a Christian state, and the emergence of Ethiopian from it's pre-Christianity history.

THIS CHRONOLOGY OF ETHIOPIAN KINGS FROM MAKEDA, QUEEN OF SHEBA'S SON MENELIK (10TH CENTURY B.C)TO THE LAST EMPEROR KNOWN AS THE IMPERIAL MAJESTY EMPEROR HAILE SELASSIE 1(1930AD-1974AD) IT INCLUDES A BRIEF BUT DETAILED I-STORY,SOME I-TRAITS AND QUOTES FROM STRONG AND INFLUENTIAL

CONTRIBUTORS TO SOCIETY. HE PROVIDES INFORMATION ON DYNASTIES, SUCCESSIVE RELIGIONS AND FAMILY INTERESTS. FINALLY HE GRACES THE READER WITH QUOTES FROM HIS MAJESTY HAILIE SELASSIE I ON VARIOUS SUBJECTS CRUCIAL TO THE SURVIVAL OF HUMANITY AS WE KNOW IT.

I liked this book as I have been a Rasta study since the 80's. African culture is the center of this study. It is an informative book about the culture. I also like it because it wasn't just opinion but history.

For anybody who want to know about Rastafari livity, I recommend to read this book, it is small but cover a lot of details about rastas and Ethiopia.
