Reload (Loaded Book 2)

Synopsis

•I can't make the same mistake twice. •After being rescued from his abusive relationship, Jaco Ferra is trying to put the pieces of his life together again. Every time he thinks he's moving on, his PTSD makes it hard for him to live and love in the now. He's afraid that he'll never find someone to stand by his side and help conquer his inner demons. It's time to bite the bullet. Detective Sean Hunt is everyone's rock, whether he likes it or not. Although he is calm, patient, and loyal, he can't stop dating men with issues... men who can't be there for him, too. As if dating as a cop isn't hard enough, he worries that he'll never find someone that can be his rock as well. I can't make his life a living hell because mine is. A near-accident one night opens a world of possibility for Jaco and Sean as the spark of passion and drive to protect consumes them. But can Jaco allow Sean close with the shadow of his past looming over him? Or will he give up his shot at happiness and land himself in even deeper trouble? Reload is a gay romance novel. It's the second novel in the •Loaded• series. It has a happily ever after ending with no cliffhanger.

Customer Reviews

I really enjoyed Jaco and Sean's story, with its quick pace and the entertaining banter between characters keeping me engaged throughout. Originally introduced in *Loaded*, we find Jaco struggling to adjust to daily life in the aftermath of escaping his criminal ex-boyfriend. When a series of coincidences bring him in contact with Sean, a detective wondering if he'll ever find the missing piece in his life, it doesn't take long for sparks to fly. As they start to take the tentative steps towards building a relationship, I really liked how slowly they took things while they gave themselves time to get to know each other without putting extra pressure on Jaco as he tried to get his life back on track. I loved how attentive Sean was to even the slightest changes in Jaco's demeanour, his calm and soothing nature was a great balance to Jaco's anxieties, while Jaco's energy and enthusiasm brightened Sean's spirits and injected some sunshine into his life. I also enjoyed getting a chance to catch up with Eugenio and Denver, who still hold a place in my heart, and am really looking forward to reading more about the men in this series. Max and Camden have caught my attention, and I'd love to know more. Please note that I received a complimentary advance copy of this book in exchange for my honest review.

3.5 stars This one picks up with Jaco and his love interest Sean. Everything seems to settle in Jaco's life after the terrible ordeal he's experienced at the hand of his ex-boyfriend. Jaco is trying to piece his life back together, he's got a semblance of his life back although he still is a bit jumpy and withdrawn. But knowing his ex has been caught helps a great deal. He's ready to try getting back out on the dating scene. Sean is a detective and is an acquaintance/coworker of Jaco's cousin. When Jaco steps in front of his moving car he worries for him. But Jaco rebuffs his help. Another meeting is in the works when Jaco signs up for a dating site on the very same day Sean just happens to check a dating website he had been inactive on. They correspond with each other until the two meet face to face when Jaco introduces the two. When things really start looking up for Jaco, things seem to start going wrong. I enjoyed the start of it but as I got further into the read my attention started to wane. Sean and Jaco were likeable characters but I felt they could get a bit sappy. Usually I don't mind but I just wasn't in the mood for it. An ARC was provided to me in exchange for an honest review.

I am so happy that we got Jaco's story! We met him in the first book of this series and he stole my heart. I really wanted to see him get his happy ending. He went through so much with his ex that he deserved to be happy. Jaco has social anxiety problems and often has panic attacks if he's around too many people or there is too much going on around him. He was in an abusive relationship and it

caused him to have really low self esteem and also have issues with accepting physical touch. Sean is a detective that works in the same precinct as Jaco's cousin. He is instantly taken by Jaco the first time he meets him. He has a strong protective side in him and a lot of patience when it comes to Jaco's needs. I'm really hoping this series continues with Max and Jaco's roommate! There's definitely something still going on there!

Another wonderful story! Jaco is sweet, gentle and lovable. Sean is a strong man who is fiercely protective of those whom he loves. Eventually together they find a balance that works for them. The turmoil in Jaco's life, avoiding his crazy ex, and the support and protection from Sean, adds an element of excitement that completely captivates the reader. Their strengths and weaknesses and the way they support one another, unselfishly, make the story one that is easily another success. A fantastic read once again! I received a free advanced copy of this book for my honest and unbiased review.

Loved getting Jaco's story, he stole my heart in the first book. He is suffering from anxiety due to what happened with his ex and encounters Sean, a detective during one of his episodes. Sean is immediately taken with Jaco and Jaco feels the same. I loved seeing them come together and how protective Sean is of Jaco. The two start seeing each other and then Jaco's ex escapes custody. This story was so sweet and I enjoyed reading about their journey. I received a free advanced reader copy of this book in exchange for an honest and unbiased review.

I am so happy right now. I so wanted a story for Jaco after what happened to him in 'Loaded'. He needed to have a great and loving relationship. So I love Sean for him so much. I couldn't put the book. It was such a quick pace of a story but it didn't make it confusing. I love Jaco and Sean! It was just a great read and I can't wait for the next one. *I received this book from the author for an honest review.*

Reload by Casey Ashwood is the second book in the Loaded Series. I loved the Loaded and the second book Reload didn't disappoint. Jaco Ferra was such a loveable character, shy and passionate, but with a backbone of steel and determination. And Detective Sean Hunt was just as loveable, calm and cool, and with an enormous protective streak. Sean has a habit of being attracted to guys that have issues and need to be fixed and who could have more issues than Eugenio's cousin Jaco who just got out of an abusive relationship. Jaco is trying to reclaim his

life and independence since his ex-boyfriend got arrested and is awaiting trial. He is going back to school and socializing with his three roommates and has decided to start online dating. While out with his roommates at a club he has a panic attack and rushes outside, where he almost got hit by a car. The owner of the car is Detective Sean Hunt, and he chases Jaco into the alley to make sure that he is okay. Even in the grip of his panic attack, Jaco is attracted to the model worthy detective. And the Detective feels the same way. When they find each other on the same online dating app, it seems like fate. And they get to talking. When Sean finds out that Jaco is Eugenio's cousin, he knows what he has gone through, and he is even more determined to be patient with letting Jaco decide the speed of their relationship. There are plenty of twists and turns in Reload, and I enjoyed getting to see Denver Hayes and Eugenio Mendes from the first book Loaded. I am hoping there will be a third book about Sean's partner Max and Jaco's roommate Camden. Thank you, Casey Ashwood, for another awesome book and series.
