Synopsis

Good health and vibrant wellbeing are two of the most important aspects of a happy life. The fact is that most of us only appreciate the true value of our health when something goes wrong but there are many things we can do to improve the quality of our lives and this is extraordinary collection of life-changing and health-boosting methods have been collated specifically to make a positive contribution to your total wellbeing. The author has focused on some of the most natural ways to enhance your health and make well-being a perfectly normal aspect of every single day of your life. Nutrition will always play a major role in delivering the best health results to each and every one of us but Merche del Rey has drawn on her extensive experience as a professional nutritionist and wellbeing specialist to bring you a fabulous range of natural remedies that can change your life and improve your wellbeing at every level of your experience. The modern lifestyle does not always lend itself to the healthiest outcomes and most of us suffer from the effects of too much environmental pollution, too much highly-processed food, too much sugar and probably too many grains in our diet. So Merche has decided to share her practical knowledge of how to overcome the dozens of conditions that spring from an over-active immune system and clean out the toxins with a powerful array of natural, anti-inflammatory techniques that can restore balance and wellbeing throughout the body. But there's more. Merche has been teaching the connections between posture and good physical, emotional and mental health for decades. She's successfully counselled thousands of individuals on the best way to ensure a deeply restful and refreshing night's sleep. Now you can benefit from all these fabulous techniques too. They're simple. They're easy. And they can be dramatically effective. Amongst a wealth of incredibly useful information, tips, advice and practical techniques, you can learn how to:

- Cleanse and heal your body with natural plants and herbs
- Boost your immune system and stay healthier for longer
- Reduce the symptoms of inflammatory conditions
- Introduce the best habits to ensure a refreshing night's rest every night
- Identify and eliminate the foods that have been causing you health problems
- Turn on your body's natural, fat-burning capacity and say goodbye to those excess pounds forever
- Heal those inflamed joints and tissues and get relief from pain
- Correct your posture and eliminate the painful hot spots in your neck, back and shoulders
- Breathe more deeply, more powerfully and more naturally
- Let go of the old habits of stress and tension that rob you of your vitality
- Turn back the clock and look and feel years younger
- Discover the secrets of becoming calmer, more focused and much more resistant to stress as you learn to enjoy a better night's sleep

Customer Reviews

Everyone have opinions on many herbs or supplements that they may have tried. But my main concern is if it will work for your health problems. I tried natural remedies and yes it is highly effective especially when my son got sick, cough, colds and rashes. Of your looking for great answer about it. Here will find the answers. In this book, you will find hundreds of pages of comprehensive and concise answers to help with your health problems. This is focus on the use of natural remedies to prevent and treat common health problems such as diabetes, high blood pressure, anxiety those are few written here. I find this is a helpful book for everyone a must have!

Naturatherapy is very in demand nowadays due to it's better performance without side effects. This book will lead you back to God's time that you will appreciate what he had created in nature. Now you will know that all plants made have it's purpose. It's time to be connected with nature since it is nature we can be healed. No wonder why goats live healthily even they just eat grass. How more we humans?

This book is worth my time. It is about helping oneself improve the well being and maintaining good and physical health. Help Yourself book is such a complete guide to proper and good health. In this book it is taught how important to have a strong immune system. The book explains patiently the factors that influence immune system like eating too much fast foods, rare exercise, thriving on stress, having not enough sleep and many other factors. I just want to say that if you want to know all about getting healthy, then this book is complete for you to read. I really admire the research skills of this author. Generally this book is well written with all the facts and detailed explanations.
